

February 11, 2015

The Honorable Phil Mendelson
Chairman
Council of the District of Columbia
1350 Pennsylvania Avenue, N.W.
Washington, DC 20004

Dear Chairman Mendelson:

This is in response to your January 29, 2015, letter notifying the Metropolitan Washington Airports Authority (Airports Authority) of your intention to schedule an oversight hearing and forwarding questions for our response. We have been notified by your staff that the hearing has been scheduled for March 10, 2015. I would be pleased to testify on that date.

Enclosed are responses to the advance questions posed to the Airports Authority. I am available, or your staff may contact our Manager of Government Affairs, Ms. Deborah Lipman, at (703) 417-8746 or Deborah.lipman@mwaa.com, should you require additional information.

Sincerely,

A handwritten signature in black ink that reads "John E. Potter". The signature is fluid and cursive.

John E. Potter
President and Chief Executive Officer

January 29, 2015 Questions from the Council of the District of Columbia

1. Please provide, as an attachment to your answers, a current organizational chart for your agency with the number of vacant and filled FTEs marked in each box. Include the names of all senior personnel, if applicable. Also include the effective date on the chart.

The requested information is enclosed. (ATTACHMENT 1)

2. Please provide, as an attachment, a Schedule A for your agency which identifies all employees by title/position, current salary, fringe benefits, and program office as of January 26, 2015. The Schedule A also should indicate any vacant positions in the agency. Please do not include social security numbers.
3. (a) For fiscal year 2014, please list each employee whose salary was \$110,000 or more. For each employee listed provide the name, position title, salary, and amount of any overtime and/or bonus pay.

The requested information is enclosed. (Attachment 3A)

(b) For fiscal year 2015, please list each employee whose salary is or was \$110,000 or more. For each employee listed provide the name, position title, salary, and amount of any overtime and/or bonus pay as of the date of your response.

The requested information is enclosed. (Attachment 3B)

4. Please itemize all current or impending vacancies on the Board of Directors. List the incumbent, the appointment authority (e.g. Mayor of the District of Columbia) and the date the term expired (or will expire). Can Board members hold over after their term expires?

MWAA Board of Directors cannot remain on the Board after their term has expired.

The requested information is enclosed. (ATTACHMENT 4)

5. Please detail the status of MWAA's compliance with the findings and recommendations of the 2012 US Department of Transportation Audit.

The Airports Authority has been working to implement the twelve recommendations made by the Department of Transportation Office of Inspector General (DOT OIG) in its report dated November 1, 2012. To date, DOT OIG has officially closed ten recommendations and is in receipt of all documentation addressing the most recent feedback provided to the Airports Authority with respect to the remaining two recommendations. MWAA continues to work closely with the Federal Accountability Officer and DOT OIG to fully address and close out the remaining items.

6. Please list each grant or sub-grant received by your agency in fiscal years 2014 and 2015 (to date). List the date, amount, purpose of the grant or sub-grant received, and explain how the grant is allocated if it is a multi-year grant.

The requested information is enclosed. (ATTACHMENT 6)

7. Please list all currently open capital projects for your agency as of January 26, 2015, including those projects that are managed or overseen by another agency or entity. Include a brief description of each, the total estimated cost, expenditures to date, the start and completion dates, and the current status of the project. Also, indicate which projects are experiencing delays and which require additional funding.

The Airports Authority has two enterprise funds, Aviation and Dulles Corridor. Aviation activities are funded from airline rates and charges, airport concessions, bond proceeds, passenger facility charges and grants (federal and Commonwealth of Virginia). Dulles Corridor activities are currently funded with Dulles Toll Road revenues, bonds proceeds, Federal Transit Administration grant, Transportation Infrastructure Finance and Innovation Act (TIFIA) proceeds, and contributions from Fairfax County and the Commonwealth of Virginia.

The Airports Authority has six budget programs, five that include ongoing capital projects. The largest of these projects is the Metrorail Phases 1 and II. The remaining projects include repair work, planning, design, and construction for airport and Dulles Corridor projects other than rail facilities. All projects are specific to the Airports Authority's operations and receive no District of Columbia funding. All active capital projects are included in the Airports Authority's 2015 Budget. The budget can be found at: <http://www.mwaa.com/file/2015-Budget.pdf>

8. (a) Please list and describe any investigations, studies, audits, or reports on your agency or any employee of your agency that were completed at any time since October 1, 2012.

(b) Please list and describe any ongoing investigations, audits, or reports of your agency or any employee of your agency.

Under the terms of the Airports Authority's long-term lease with the federal government and as a federal grant recipient, we are subject to periodic review by the U.S. Department of Transportation, the Federal Aviation Administration, the Federal Transit Administration and the U.S. Government Accountability Office. Several reviews by these agencies have either been completed or are currently underway. Additionally, the Metropolitan Washington Airports Authority annually produces an audited Comprehensive Annual Financial Report, and is audited under the Single Audit Act in accordance with OMB Circular A-133.

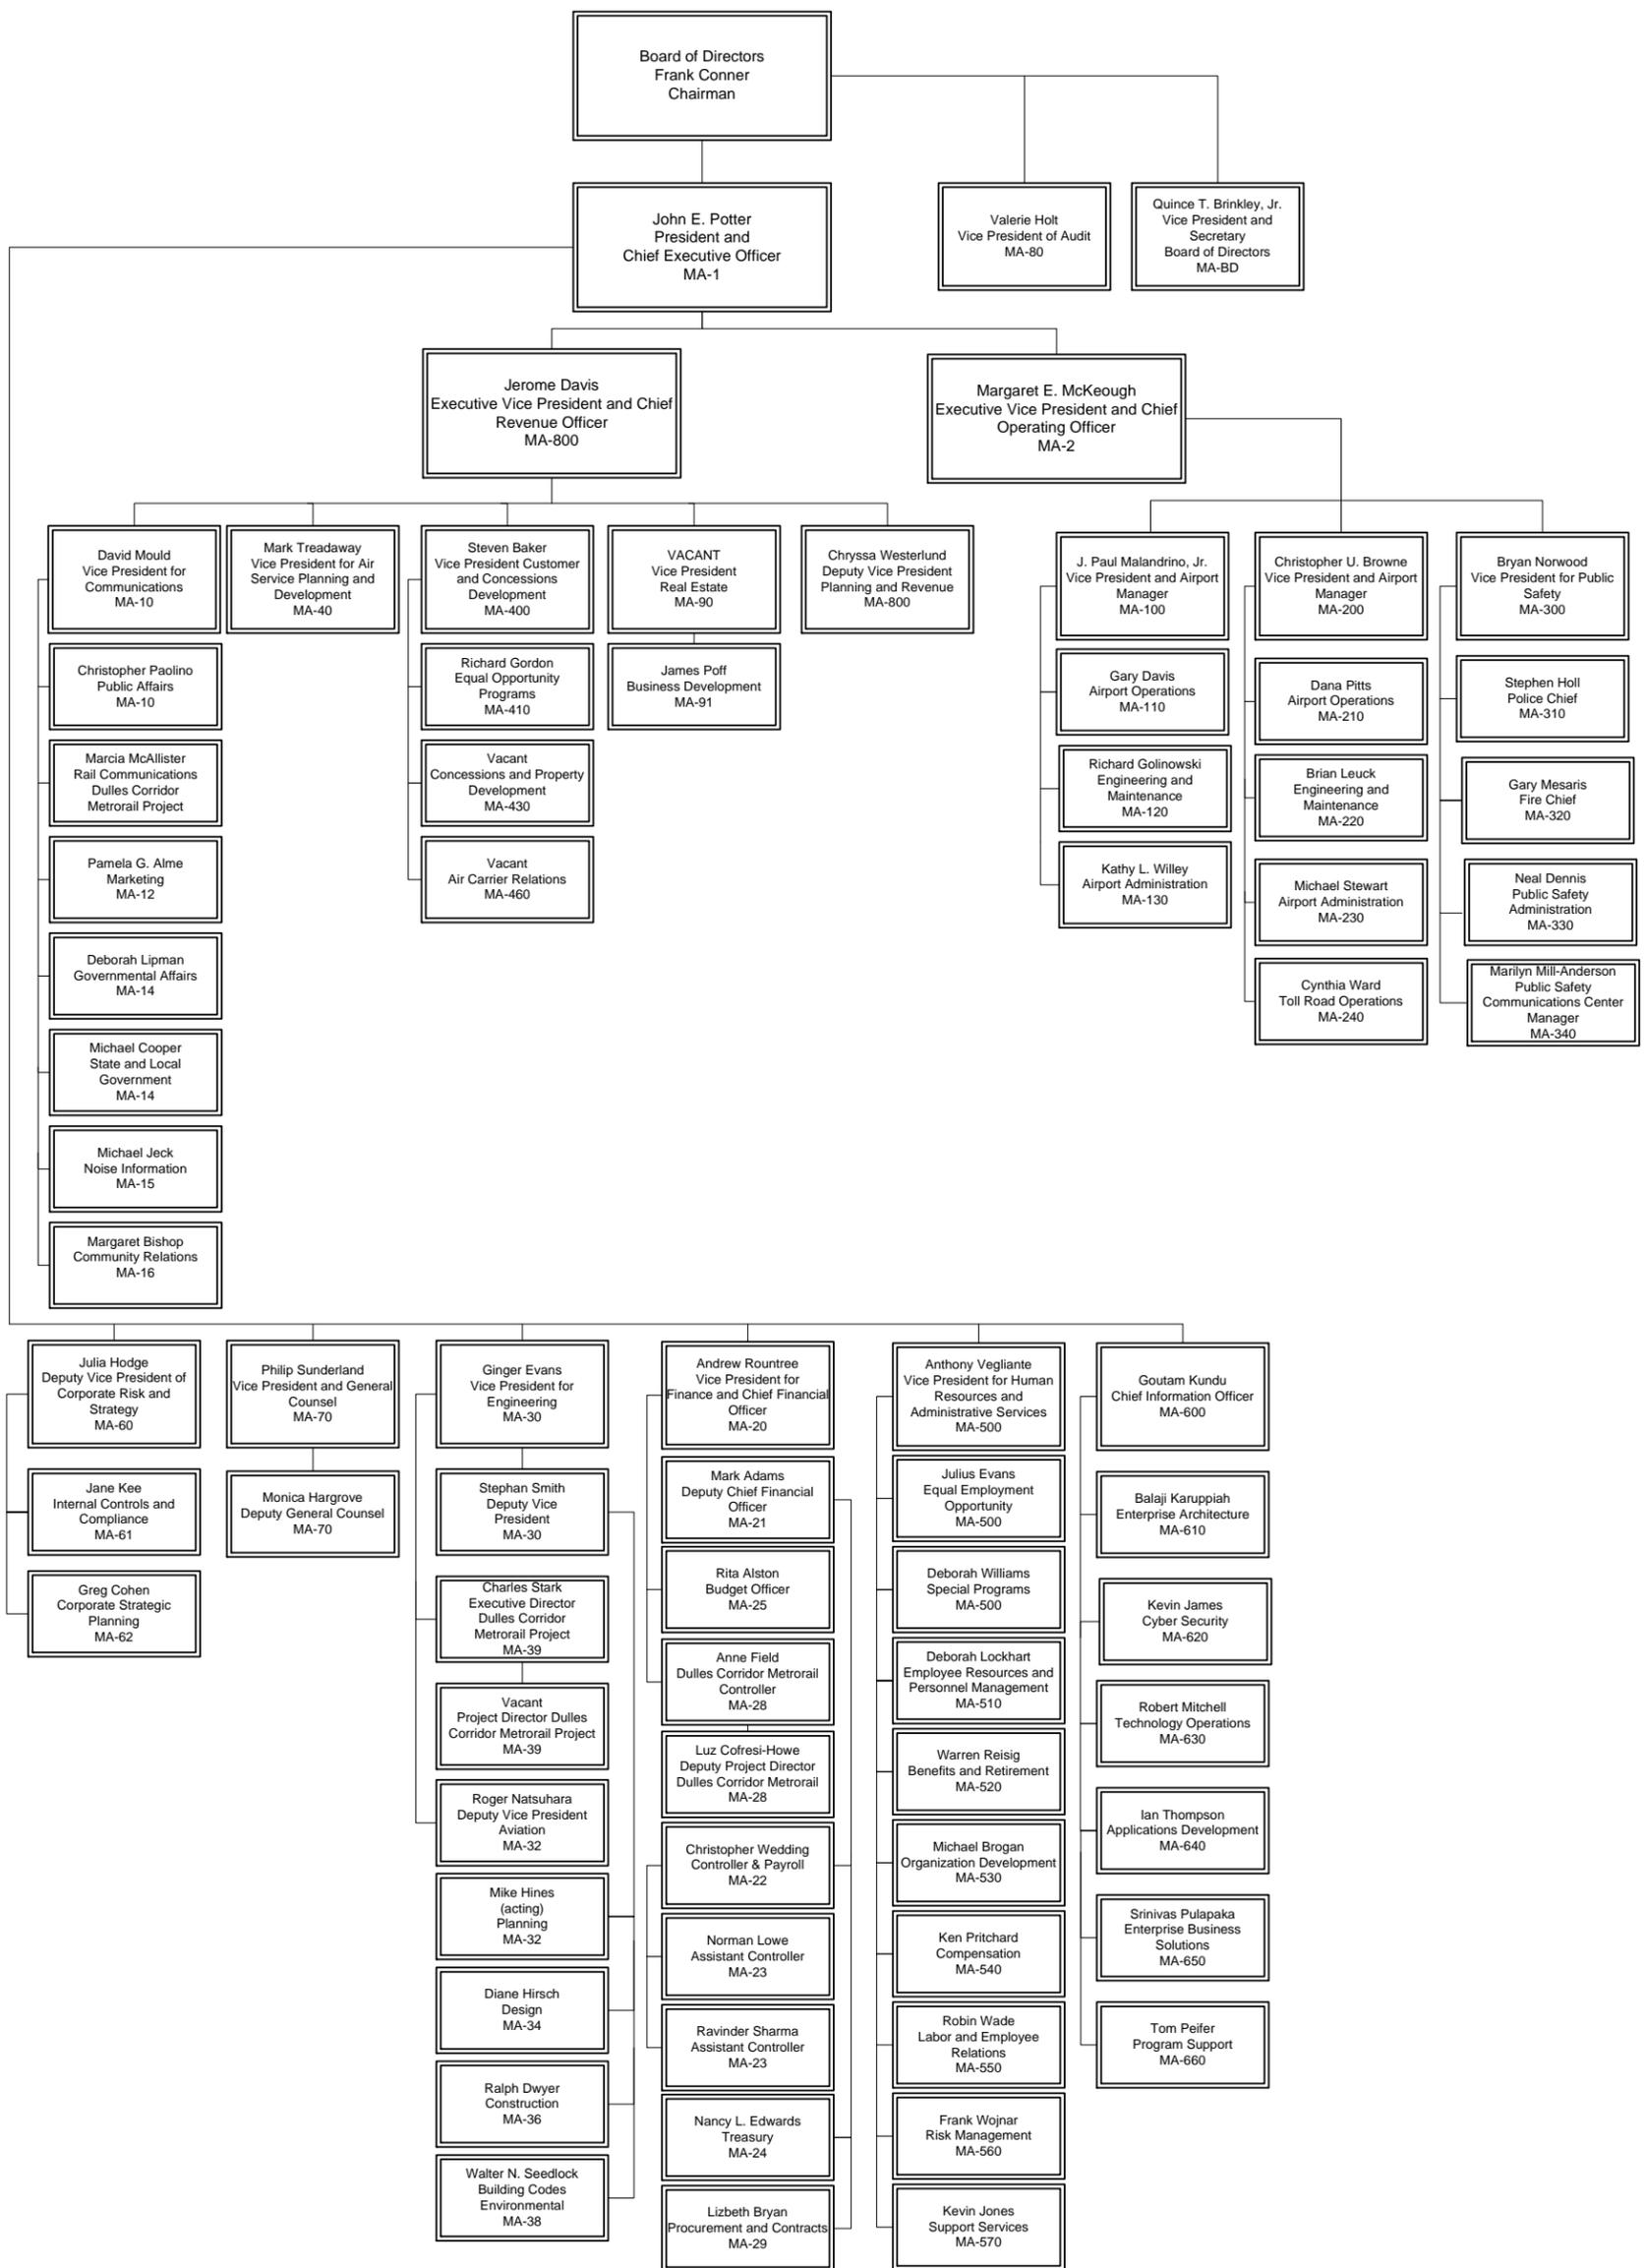

9. What are your top five priorities for the agency? Please provide a detailed explanation for how the agency expects to achieve or work toward these priorities in fiscal years 2015 and 2016.

The top five priorities for the Airports Authority in 2015 are:

- Provide sound financial management and promote regulatory decisions that restore the balance between Reagan National and Dulles International Airports, including:
 - Pursuit of non-aviation revenue in concessions, advertising and land development
 - Growth of domestic and international air service
 - Promoting air cargo opportunities
- Cost-effectively manage operational and capital plans, including improvements at Reagan National to accommodate increased passenger traffic; address safety needs and rehabilitation and replacement of aging facilities and equipment
- Assure safety and security for employees and the traveling public
- Assure compliance with policies and procedures governing finances, Freedom of Information (FOI), code of ethics, contracting practices, travel policies, Board Bylaws, human resources and internal controls and compliance
- Focus on succession planning and leadership development

Funding Agency	Project Title	Amount	Date	Purpose	Funding Source
Federal Aviation Administration	Taxiway Z & Taxiway C Reconstruction.	\$ 3,747,121	7/29/2014	The Metropolitan Washington Airports Authority (MWAA) used the amount to reconstruct Taxiway C, Section 1 and Taxiway Z, Section 2. The work requires specific phasing and includes approximately 21,000 square yards of full depth PCC replacement, including new joint spacing and underdrain system at Washington Dulles International Airport	
Federal Aviation Administration	Improve Runway 15/33 & 4/22 Safety Area- Phase 2.	\$ 12,712,623	7/29/2014	Metropolitan Washington Airports Authority (MWAA) used the amount to improve Runway 4/22 and 15/33 safety area (Phase 2 - EMAS, Environmental Mitigation) at Ronald Reagan Washington National Airport (DCA).	
Federal Aviation Administration	Construct 4th Runway at IAD	\$ 13,000,000	5/6/2014	To construct Runway 1L/19R and associated taxiway system and associated runway enabling projects, including environmental impact statement, wetland and stream mitigation, land, navigation aid installation and site utilities construction, as described in the Letter of Intent (LOI) dated February, 2005 - Washington Dulles International Airport.	This funding represents the FY 2014 allocation from FAA approved Letter of Intent (LOI) in February, 2005. The Airports Authority has entered LOI agreement with FAA totaling \$200.2 million to finance a portion of the design and construction of the fourth runway and associated taxiways and the cost of the environmental study at Washington Dulles International Airport. As of December 2013, approximately \$177.2 million of this LOI commitment had been received by the Airports Authority.
Transportation Security Administration	Law Enforcement Officer Agreement Program - DCA	\$ 569,400	4/9/2014	To maintain a law enforcement presence and response that is adequate to support each system for screening persons and accessible property. This law enforcement presence provides for the safety and security of persons and property against an act of criminal violence or aircraft piracy, and assists in preventing the introduction of TSA prohibited items.	Funding is subject to the availability of appropriated funds.
Transportation Security Administration	Law Enforcement Officer Agreement Program - IAD	\$ 350,400	4/4/2014	To maintain a law enforcement presence and response that is adequate to support each system for screening persons and accessible property. This law enforcement presence provides for the safety and security of persons and property against an act of criminal violence or aircraft piracy, and assists in preventing the introduction of TSA prohibited items.	Funding is subject to the availability of appropriated funds.
Transportation Security Administration	National Explosives Detection Canine Team Program	\$ 726,000	3/4/2014	To maintain the ability to promptly respond to threats at support facilities, rail stations, airports, passenger terminals and surface carriers that affect public safety or transportation operations. TSA canine teams will conduct training and other canine activities within view of the public, thereby providing a noticeable visible deterrent towards terrorist threats and other criminal activity.	Funding is subject to the availability of appropriated funds.
