Kennedy Memorial Stadium and District of Columbia National Guard Armory Public Safety Act to make it applicable to the soccer stadium; to amend Title 25 of the District of Columbia Official Code to provide for licenses to be issued to the soccer stadium; to amend Title 47 of the District of Columbia Official Code to provide tax abatements; and to exempt the transfer of the stadium site from recordation and transfer taxes.

BE IT ENACTED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this act may be cited as the “District of Columbia Soccer Stadium Development Emergency Act of 2014”.

TITLE I. ASSEMBLAGE OF SITE; AUTHORITY OF MAYOR TO EXERCISE

EMINENT DOMAIN.

Sec. 101. Definitions.

For the purposes of this title:

(1) The term “Soccer Stadium Site” means the real property described as Squares 603S, 605, 607, 661, and 661N, and the northwest portion of Lot 24 in Square 665 as described in the

36 letter of intent between the District and Potomac Electric Power Company (Pepco) dated
37 December 27, 2013, and all public alleys and streets to be closed within these squares.

38 Sec. 102. The Council finds that:

39 (1) RFK Stadium is no longer suitable as a home for D.C. United in that it was not
40 designed to host soccer, but was designed for football and baseball, has a capacity much larger
41 than current Major League Soccer Stadiums, is more than 50 years old, is in deteriorating
42 condition, and is near the end of its useful life;

43 (2) Without the development of a new soccer stadium, it is likely that DC United would
44 ultimately move to another jurisdiction where it could participate in the development of a
45 modern, state-of-the-art, outdoor soccer stadium, which would cause the District to lose the
46 economic and fiscal benefits associated with the team's location in the District;

47 (3) The development and operation of a new, state-of-the-art, LEED certified outdoor
48 soccer stadium at Buzzard Point and the planned development on the ancillary site will increase
49 economic activity;

50 (4) The stadium is proposed to be located in Buzzard Point an underutilized industrial
51 area that has long been targeted for redevelopment and in anticipation of that development has
52 been rezoned for higher density use, but that without a catalytic, public-sponsored project is not
53 likely to see significant development for a minimum of eight years and likely longer;

54 (5) Developing a state-of-the-art, LEED certified outdoor soccer stadium at Buzzard
55 Point will serve to accelerate that redevelopment as well as promote economic development in
56 the Buzzard Point and Capitol Riverfront neighborhoods and enhance economic vitality in the
57 District of Columbia.

58 (6) Improvements in the physical environment of Buzzard Point catalyzed by the soccer
59 stadium will connect Buzzard Point to the emerging Capitol Riverfront area to create a vibrant,
60 mixed-use neighborhood with improved pedestrian circulation, continuous public access to the
61 water, offer new development opportunities that could increase the inventory of mixed-use
62 development and affordable housing through inclusionary zoning, and provide ways to improve
63 the environmental health of Buzzard Point;

64 (7) Improvements and infrastructure investments represented by the development of a
65 new, state-of-the-art soccer stadium project at Buzzard Point will leverage other nearby District
66 investments such as the South Capitol Street Bridge project and the parking facilities for
67 Nationals Park and along with the successful and planned development at the Yards and the
68 Wharf combine to anchor a new, mixed use neighborhood that would reconnect residents to the
69 waterfront, enhance the natural environment, and establish an attractive gateway to the District
70 while improving conditions for nearby residents.

71 Sec. 103 Assemblage of soccer stadium site.

72 (a)(1) The exchange agreement between the District of Columbia and SW Land Holder,
73 LLC dated May 23, 2014 (the “exchange agreement”) and the amendment to the exchange
74 agreement dated October 7, 2014 are disapproved.

75 (2) The Mayor shall acquire Squares 605, 607, and 661 and the northwest portion
76 of Lot 24 in Square 665 as described in the letter of intent between the District and Potomac
77 Electric Power Company (Pepco) dated December 27, 2013 for market value, unless a court
78 determines another value in a proceeding involving eminent domain, at a cost, when aggregated
79 with the valuation ascribed to the exchange agreement approved in accordance with subsection

80 (b), not to exceed \$90 million.

81 (b) Notwithstanding An Act Authorizing the sale of certain real estate in the District of
82 Columbia no longer required for public purposes, approved August 5, 1939 (53 Stat. 1211; D.C.
83 Official Code § 10-801et. seq.), or other provision of law, the Council authorizes the Mayor to
84 transfer Lot 82 in Square 559 to Potomac Electric Power Company (Pepco) in exchange for Lots
85 804 and 805 in Square 661, the northwestern portion of Lot 24 in Square 665, and \$15,800,000.

86 (c) The Mayor is not authorized to exchange or otherwise dispose of the Franklin D.
87 Reeves Center, located on Lot 844 in Square 204 in conjunction with the assemblage of the
88 soccer stadium site.

89 (d) The Mayor shall transmit any agreement to acquire any portion of Squares 605, 607,
90 and 661 and the northwest portion of Lot 24 in Square 665 as described in the letter of intent
91 between the District and Potomac Electric Power Company (Pepco) dated December 27, 2013 to
92 the Council no fewer than 30 days before the effective date of the agreement.

93 (e) The Mayor may exercise eminent domain in accordance with the procedures set forth
94 in subchapter II of Chapter 13 of Title 16 of the District of Columbia Official Code to acquire
95 any portion of Squares 605, 607, and 661, and the northwest portion of Lot 24 in Square 665 as
96 described in the letter of intent between the District and Potomac Electric Power Company
97 (Pepco) dated December 27, 2013.

98 Sec. 104. Amendments to ground lease and development agreement.

99 (a)(1) The Mayor shall transmit to the Council a ground lease (“revised ground lease”)
100 that amends the ground lease between the District of Columbia and DC Stadium LLC, dated May
101 23, 2014 (“original ground lease”), for lease of the Soccer Stadium Site to DC Stadium LLC no

102 fewer than 30 days before the effective date of the revised ground lease.

103 (2) The revised ground lease shall:

104 (A) Not contain any provision to abate District sales tax; and

105 (B) Contain modifications to conform the terms of the original ground
106 lease to provisions of this Act.

107 (b)(1) The Mayor shall transmit to the Council a development agreement (“revised
108 development agreement”) that amends the development agreement between the District of
109 Columbia and DC Stadium LLC, dated as of May 23, 2014 (“original development agreement”),
110 for the development of the soccer stadium site, not fewer than 30 days before the effective date
111 of the revised development agreement.

112 (2) The revised development agreement shall:

113 (A) Extend the date by which the District shall acquire control of the
114 soccer stadium site to September 31, 2015;

117 obligations under article V of the original development agreement), and perform environmental
118 remediation work (including all District obligations under article VI of the original development
119 agreement), as such actions are described in articles III, IV, V, and VI of the original
120 development agreement and may be described or referenced in other provisions of the original
121 development agreement, each by 6 months;

122 (C) Set a date by which DC Stadium LLC shall complete the construction
123 of a soccer stadium at the soccer stadium site;

124 (D) Extend other dates as negotiated between the District and DC
125 Stadium, LLC; and

126 (E) Include an amendment to section 5.9 of the original development
127 agreement to read as follows: “Within 30 days of the District’s acquisition of either Lot 7 or Lot
128 802 in Square 605, the Stadium Developer shall pay to the District, or its designee, Two Million
129 Five Hundred Thousand Dollars (\$2,500,000.00) to offset Land acquisition costs.”.

130 (c) DC Stadium, LLC and the District shall agree to terms within the revised ground lease
131 and revised development agreement providing that, notwithstanding any other provision of the
132 revised ground lease or revised development agreement, DC Stadium LLC covenants and agrees:

133 (1) To enter into a labor peace agreement that conforms in content to the
