

Metropolitan Washington Airports Authority
FY 2013 Grant - Aviation

Funding Agency	Project Title	Amount	Date	Purpose	Funding Source
Federal Aviation Administration	Reconstruct Taxiway Y at IAD	\$ 6,560,987	5/14/2013	The Metropolitan Washington Airports Authority (MWAA) used the amount to reconstruct Taxiway Y between high speed Taxiways Y4 and Y7 at Washington Dulles International Airport. A new connection at taxiway B will also be constructed between Taxiway Y and Runway 1C-19C. Work includes Portland cement concrete (PCC), pavement demolition and construction, pavement marking, airfield lighting, grading, seeding, storm sewer and drainage structures installation.	
Federal Aviation Administration	Improve Runway 4/22 and 15/33 Safety Area at DCA	\$ 19,957,210	7/26/2013	The Metropolitan Washington Airports Authority (MWAA) used the amount to improve Runway 4/22 and 15/33 safety area (Phase 1, Earthwork and general package construction) at Ronald Reagan Washington National Airport (DCA).	It's FAA's Airport Improvement Program projects. The grant amount is breakdown by fiscal year. \$16,309,088 for FY'13 and \$3,648,122 for FY'14. This change is made to assign additional fiscal year 2013 discretionary funds to the project, and reduce the fiscal year 2014 entitlement funds assigned. the overall grant amount remain unchanged.
Federal Aviation Administration	Construct 4th Runway at IAD	\$ 13,000,000	5/14/2013	Construct Runway 1L/19R and associated taxiway system and associated runway enabling projects, including environmental impact statement, wetland and stream mitigation, land, navigation aid installation and site utilities construction, as described in the Letter of Intent (LOI) dated February, 2005 - Washington Dulles International Airport.	This funding represents the FY 2013 allocation from FAA approved Letter of Intent (LOI) in February, 2005. The Airports Authority has entered LOI agreement with FAA totaling \$200.2 million to finance a portion of the design and construction of the fourth runway and associated taxiways and the cost of the environmental study at Washington Dulles International Airport. As of December 2012, approximately \$164.2 million of this LOI commitment had been received by the Airports Authority.
Transportation Security Administration	Law Enforcement Officer Agreement Program - DCA	\$ 284,700	7/16/2013	To maintain a law enforcement presence and response that is adequate to support each system for screening persons and accessible property. This law enforcement presence provides for the safety and security of persons and property against an act of criminal violence or aircraft piracy, and assists in preventing the introduction of TSA prohibited items.	Funding is subject to the availability of appropriated funds.
