DCHA proposes to provide a housing subsidy to the Owner in the initial amount of \$81,120.00 annually for a multi-year term of fifteen (15) years, in support of the District’s Local Rent Supplement Program (“LRSP”) to provide affordable housing units at City View Apartments located at 2850 Douglass Place, SE.

In March 2016, the District of Columbia’s Department of Housing and Community Development (“DHCD”) issued a Request for Proposals (“RFP”) regarding the availability of funds from multiple district agencies, including DCHA, DHCD, the Department of Behavioral Health, the Department of Human Services, and the District of Columbia Housing Finance Agency. Of the total proposals received, **thirteen (13) developers** were chosen to work with DCHA and others to develop affordable housing and permanent supportive housing units for extremely low income families making zero to thirty percent of the area’s median income, as well as the chronically homeless and individuals with mental or physical disabilities throughout Washington, DC.

After meeting the requirements for DHCD review and LRSP subsidy eligibility, proposals were evaluated on various underwriting and prioritization criteria including financial feasibility, project sustainability, development team capacity, amount of capital requested, nonprofit participation, and furtherance of the development of affordable housing. Additionally, DCHA has determined

that the proposed project meets the District of Columbia's Consolidated Plan and the Mayor's goal for providing affordable housing opportunities in neighborhoods.

- (E) **A description of any bid protest related to the award of the contract, including whether the protest was resolved through litigation, withdrawal of the protest by the protestor, or voluntary corrective action by the District.
