MEMORANDUM

To: All Councilmembers

From: Councilmember David A. Catania

Date: January 3, 2013

Subject: Notice of Intent to Move a Congressional Review Emergency Legislation for the January 8, 2013 Legislative Meeting

This memorandum serves as my notice of intent to move the following legislation at the January 8, 2013 legislative meeting:

- Office of the Chief Financial Officer Audit Transparency Emergency Declaration Resolution of 2013
- Office of the Chief Financial Officer Audit Transparency Congressional Review Emergency Act of 2013

This legislation will ensure that all audits conducted within the Office of the Chief Financial Officer are circulated to the Council of the District of Columbia in a timely manner. The Office of the Chief Financial Officer Audit Report Transparency Emergency Act of 2012 expires on January 31, 2013 and the Office of the Chief Financial Officer Audit Report Transparency Temporary Act of 2012 is not projected to become law before the expiration of the emergency. Therefore, it is necessary to move the Office of the Chief Financial Officer Audit Report Transparency Congressional Review Emergency Act of 2013 to promote transparency within all government agencies and to ensure the Council is provided with the appropriate information from which it can properly oversee the District's financial functions.

Copies of the measures are attached for your review. I would appreciate your support on this legislation. If you have any questions, please contact Keri Nash, Committee Counsel, at (202) 724-8170.
