PR 24-326 would confirm Everett Lott as the Director of the District Department of Transportation. Bill 24-302 would revise the definitions of abandoned and dangerous vehicles for purposes of determining when such vehicles may be removed from public and private space. It also removes imprisonment as a possible sentence for leaving an abandoned or dangerous vehicle in public space. The hearing will begin at 12:00 p.m. and will be broadcast live on DC Council Channel 13 and streamed live at www.dccouncil.us, facebook.com/cmmarycheh, and entertainment.dc.gov.

On March 11, 2020, Mayor Muriel Bowser issued the Declaration of Public Emergency: Coronavirus (COVID-19) and the Declaration of Public Health Emergency: Coronavirus (COVID-19) due to the imminent threat to the health, safety, and welfare of District residents posed by the spread of the coronavirus. These orders require that the Council adapt the methods by which committees may hold public hearings and roundtables to comply with social distancing, large public gathering, and other public health and safety requirements. Therefore, this public hearing will be held remotely through the Zoom teleconferencing platform.

The Committee invites the public to testify or to submit written testimony, which will be made a part of the official record. Anyone wishing to testify should contact Ms. Aukima Benjamin, Staff Assistant to the Committee on Transportation and the Environment, at least 24 hours prior to the start of the hearing at (202) 724-8062 or via e-mail at abenjamin@dccouncil.us; witnesses will receive information on how to join the hearing at that time. Witnesses who anticipate needing language interpretation, or requiring sign language interpretation, are

requested to inform the Committee of the need as soon as possible but no later than five business days before the hearing, which is October 19, 2021. We will make every effort to fulfill timely requests, however requests received in less than five business days may not be fulfilled and alternatives may be offered.

If you are unable to testify at the public hearing, written statements are encouraged and will be made a part of the official record; testimony may be submitted to abenjamin@dccouncil.us. The public may also leave voicemail testimony for the Committee by calling (202) 350-1344, which will be transcribed and made part of the hearing record. Members of the public leaving voicemail testimony should speak slowly and clearly, state their full name and the organization they represent, if any, and note the bill, hearing, or agency that they are submitting testimony on. Members of the public are asked to not provide an e-mail, phone number, or other person contact information in voicemail testimony.

The record will close at the end of the business day on November 9, 2021.

This hearing notice has been revised to add B24-302, the Removal and Disposition of Abandoned and Other Unlawfully Parked Vehicles Reform Amendment Act of 2021, to the agenda for the hearing.
