A CEREMONIAL RESOLUTION

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

To recognize the month of October 2021 as Breast Cancer Awareness Month in the District of Columbia.

WHEREAS, women in the District of Columbia have the highest mortality rate and among the highest incidence rates of breast cancer in the nation;

WHEREAS, approximately 281,550 new cases of invasive breast cancer will be diagnosed in women before the end of 2021; of those cases, about 630 will occur in women in the District;

WHEREAS, the American Cancer Society estimates that about 43,600 women in the United States will die from the disease in 2021; of those cases, about 100 will be women in the District;

WHEREAS, approximately 2,650 new cases of invasive breast cancer will be diagnosed in men before the end of 2021; of those cases, about 530 men will die from the disease;

WHEREAS, there are several types of breast cancer—divided into non-invasive and invasive types—which can be diagnosed at different stages of development and can grow at different rates;

WHEREAS, if cancer is detected at an early stage, it can be treated before it spreads to other parts of the body. And, while the exact cause of breast cancer is not fully understood, there are many factors that increase the likelihood of developing it, including age and family medical history;

WHEREAS, the American Cancer Society is a community-based, voluntary health organization, located both nationwide and in the District of Columbia, which is dedicated to eliminating cancer as a major health problem;

32 WHEREAS, the American Cancer Society established Breast Cancer Awareness Month
33 in 1985 to promote mammography as the most effective weapon in the fight against breast
34 cancer; and

35 WHEREAS, the District of Columbia anticipates the day when no woman or man suffers
36 from breast cancer or loses their life to this disease.

37 RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this
38 resolution may be cited as the “Breast Cancer Awareness Month Recognition Resolution of
39 2021.”

40 Sec. 2. The Council of the District of Columbia honors breast cancer patients, survivors,
41 and their families and recognizes October as Breast Cancer Awareness Month to promote
42 research for a cure.

43 Sec. 3. This resolution shall take effect immediately upon the first date of publication in
44 the District of Columbia Register.
