Council Chairman Phil Mendelson announces a public hearing before the Committee of the Whole on **Bill 24-126**, the “Seasonal Pricing Price Gouging Amendment Act of 2021” and **Bill 24-357**, the “Protecting Consumers from Unjust Debt Collection Practices Amendment Act of 2021.” The hearing will be held on Monday, November 29, 2021 at 12:00 p.m. via Zoom videoconference. **This notice has been revised to reflect the fact that the correct date is November 29, 2021.**

The stated purpose of **Bill 24-126** is to modify current consumer protections regarding price gouging in order to allow for the seasonal pricing of vehicle rentals, and to make a public health emergency a triggering event for the prohibition against price gouging of any kind. The stated purpose of **Bill 24-357** is to ensure that all consumer debt falls under the consumer protection law; to prohibit debt collectors from engaging in deceptive behavior and harassment, including threatening to disclose consumer debt information, and limiting the number of phone calls a debt collector can make to a consumer in any given week; to implement specific requirements for a debt collector when initiating a cause of action against a consumer for consumer debt; to allow for the awarding of damages and other fees to a consumer when a debt collector violates the law; to prohibit the imprisonment or jailing of any consumer for failure to pay consumer debt; and to codify consumer protections related to debt collection during a public health emergency declared by the Mayor.
