**RE:** Request to Agendize Measures for the May 3, 2022 Legislative Meeting  
**DATE:** April 28, 2022

---

I am requesting that the following measure be agendized for the May 3, 2022 Legislative Meeting:

Emergency and Temporary Measures

- “Career Mobility Action Plan Establishment Emergency Declaration Resolution of 2022”
- “Career Mobility Action Plan Program Establishment Emergency Act of 2022”
- “Career Mobility Action Plan Program Establishment Temporary Act of 2022”

The proposed emergency and temporary measures formally authorize the establishment of the Career Mobility Action Plan (Career MAP) program, including the resources that the program may provide to participants. Such resources may include rental assistance; income support; career navigation and advancement services; coaching; case management; and other support services needed to overcome barriers to economic advancement. Further, the legislation will exclude resources provided by Career MAP from the asset and income tests that apply to certain other public assistance benefits. This provision will help ensure program funds do not replace other government assistance that Career MAP participants are eligible to receive. These measures, if enacted, will allow the Department of Human Services to immediately begin implementation of the Career MAP pilot program that was included in the Fiscal Year 2022 budget.

The Committee is working with the Department of Human Services to make technical changes to the draft measures as written. The Executive will file the final version that will be voted on before the filing deadline.

Draft copies of the measures and a Fiscal Impact Statement are attached. Please contact Aamir Mansoor at [amansoor@dccouncil.us](mailto:amansoor@dccouncil.us) or (202) 724-4354 if you have any questions.
