On Wednesday, May 18, 2022, Councilmember Kenyan R. McDuffie, Chairperson of the Committee on Business and Economic Development, will hold a public roundtable to consider the following measures:

1. Proposed Resolution 24-0627, the “Emile Thompson Confirmation Resolution of 2022”;
2. Proposed Resolution 24-0732, the “Sheridan School, Inc. Revenue Bonds Project Approval Resolution of 2022”; and
3. Proposed Resolution 24-0740, the “Lab School of Washington Revenue Bonds Project Approval Resolution of 2022”

Proposed Resolution 24-0627, the “Emile Thompson Confirmation Resolution of 2022”, was introduced on March 14, 2022, by Chairman Mendelson, at the request of the Mayor. The Proposed Resolution would confirm the reappointment of Mr. Emile Thompson as a member of the Public Service Commission, and designate Mr. Thompson as Chairperson of the Commission, for a term to end on June 30, 2026.

Proposed Resolution 24-0732, the “Sheridan School, Inc. Revenue Bonds Project Approval Resolution of 2022” was introduced by Chairman Mendelson at the request of the Mayor on April 27, 2022. The resolution would authorize the issuance, sale, and delivery of tax-exempt revenue bonds, notes, or other obligations in an aggregate principal amount not to exceed \$6,180,000 to assist Sheridan School in the financing of construction costs associated with this Ward 3 campus.

Proposed Resolution 24-0740, the “Lab School of Washington Revenue Bonds Project Approval Resolution of 2022” was introduced by Chairman Mendelson at the request of the Mayor on April 28, 2022. The resolution would authorize the issuance, sale, and delivery of tax-exempt revenue bonds, notes, or other obligations in an aggregate principal amount not to exceed \$35 million to assist the Lab School in the refinancing of a previous revenue bond and the financing of construction costs associated with three of its Ward 3 campuses.

*This Notice was updated to reflect the addition of the two revenue bond measures and the removal of Bills 24-0555 and 24-0556, the Shaed School Disposition Extension Act of 2021 and the Gibbs School Disposition Extension Act of 2021, respectively. A hearing on the latter two measures is no longer needed as the Executive used the authority granted it via emergency and temporary legislation to extend the school leases.

The Committee invites the public to testify remotely or submit written testimony for the record. All public witnesses generally have three minutes to testify, but the length of time provided for oral testimony may be reduced or extended at the discretion of the Committee Chairperson.
