23 To declare the existence of an emergency with respect to the need to amend the District of  
24 Columbia Housing Authority Act of 1999 to allow applicants for local rent supplement  
25 vouchers to self-certify eligibility factors; and to prohibit the Housing Authority from  
26 inquiring into an applicant’s immigration status or prior criminal arrests, convictions, or  
27 pending criminal matters.

28  
29 RESOLVED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this  
30 resolution may be cited as “Local Rent Supplement Program Eligibility Emergency Declaration  
31 Resolution of 2022.”

32 Sec. 2. (a) On August 10, 2021, the Council approved the Fiscal Year 2022 Budget  
33 Support Act of 2021 (D.C. Law 24-45). One of the subtitles included in the law, the Local Rent  
34 Supplement Program Enhancement Amendment Act of 2021 (the “Act”) required the District of  
35 Columbia Housing Authority (DCHA) to issue emergency and final rules that allow applicants to  
36 self-certify eligibility factors for locally-funded housing vouchers when an applicant cannot  
37 easily obtain documentation.

38 (b) The purpose of Local Rent Supplement Program Enhancement Amendment Act of  
39 2021 is to reduce barriers to locally-funded vouchers for people experiencing homelessness.  
40 People experiencing homelessness often do not possess documents, such as birth certificates or  
41 social security cards, that are necessary to verify their identity and obtain a government-issued  
42 photo ID. The process to obtain these documents, and then acquire a government-issued photo  
43 ID, can take a year or more, delaying a homeless individual’s ability to be housed.

44 (c) DCHA issued emergency rules on March 4, 2022, and final rules on April 6, 2022 via  
45 PR 24-692, the District of Columbia Housing Authority Local Rent Supplement Tenant Based  
46 Program Regulations Approval Resolution of 2022. Final rules became effective on June 24,  
47 2022.

48 (d) The language of the rules conforms with the intent of the Act. DCHA’s  
49 implementation of the rules is inconsistent with the language of the Act, however. For instance,  
50 in guidance to applicants, DCHA notes that applicants are still required to submit a government-  
51 issued photo ID when applying. The guidance also requires applicants to provide a social  
52 security number, which automatically excludes people experiencing homelessness who are  
53 undocumented.

54 (e) To ensure that DCHA’s implementation of the Act does not continue to circumvent  
55 the Council’s intent, this emergency makes it clear that applicants must be allowed to self-certify  
56 any eligibility factors and prohibits DCHA from inquiring about or considering citizenship or  
57 immigration status.

58 Sec. 3. The Council of the District of Columbia determines that the circumstances in  
59 section 2 constitute emergency circumstances, making it necessary that the “Local Rent

60 Supplement Program Eligibility Emergency Amendment Act of 2022” be adopted after a single  
61 reading.

62           Sec. 4. This resolution shall take effect immediately.
